

I listen to K-LOVE in Fairbanks, AK on 88.5 FM. It is the only contemporary Christian radio I can receive. As a Bible believing Christian, I believe it's important for me to guard my heart and mind from evil. Radio that is willing to say, "anything", is not radio I will listen to. I will buy C.D.'s whatever. That gets pretty old, pretty fast. As a resident of Fairbanks, AK I believe our young (and not so young) people benefit from not filling their ears, (minds and hearts) with garbage. Bad lyrics, oversensationalized talk, etc. G.I.G.O. (garbageingarbageout) is a Biblical concept. Having the clean option is fantastic! I love be-bopping down the highway w/ a car load of (used to be little, now) medium sized boys singing along. I'm a cool(45) mom. Cool radio helps set the tone. (ESPECIALLY ON REALLY BAD DAYS) Without K-LOVE my not so great morning would definately take longer to relace with GOOD morning. K-LOVE helps my grumpy morning attitude change a lot of times every week. As a Christian mom, I'm trying to set a good example for my kids, for my peers at work, and for my customers. K-LOVE helps me drop off my kids to school- usually over the grumps, helps me to get to work with a smile. That helps our community A LOT, because I see hundreds of people a day (I'm a grocery checker). They think I'm a "really nice, friendly person"!! Wow!! What a DAILY TRANSFORMATION. Please do what is in your power to leave K-LOVE on!! Our town, I, my family need it. VERY VERY SINCERELY, Julie Scully
